Case No. C10-1859-JLR

DECLARATION OF ANTHONY
P. GENTILE VERIFYING
CLEARWIRE'S COMPLIANCE
WITH SETTLEMENT
AGREEMENT

Plaintiffs,

v.

CLEARWIRE CORPORATION,

Defendant.

Anthony P. Gentile declares as follows:

IDENTITY OF DECLARANT

1. I am employed by Sprint in Las Vegas, Nevada, as a Program Manager in the Customer Care Group. In July 2013, Sprint acquired Clear Wireless LLC, which was a subsidiary of Clearwire Corporation. I have been employed by Clear Wireless and its affiliates and then Sprint for approximately five years. I was responsible for overseeing Clearwire's process of: (a) retrieving and providing a report regarding account status (i.e., current or former customers) and amount of indebtedness of certain Clearwire customers who submitted claims to participate in the settlement of this case; and (b) receiving the settlement administrator's report

1 of the claimants whose settlement payments would be handled through account credit or debt
 2 offset and applying those credits and offsets to those customers' accounts. The following
 3 statements regarding those processes are based on my personal knowledge and information
 4 provided by other experienced Clearwire or Sprint employees working under my supervision or
 5 at my direction.

6 CLAIMANT ACCOUNT STATUS AND INDEBTEDNESS

7 2. Using claimant information the settlement administrator provided, Clearwire
 8 retrieved from its databases the following information: (a) identities of claimants who were
 9 current Clearwire customers; and (b) identities of claimants who were former Clearwire
 10 customers with unpaid past due balances owing to Clearwire and the amounts owed. Clearwire
 11 exported this information completely and accurately to a spreadsheet for transmittal to the
 12 settlement administrator.

13 ACCOUNT CREDIT AND OFFSET

14 3. Using claimant information the settlement administrator provided regarding
 15 settlement payments to be handled by customer account credit or debt offset, Clearwire
 16 completely and accurately provided account credits and offsets in the amounts directed. To the
 17 extent customer account statuses or past due amounts had changed in a way that no longer
 18 allowed for the entire settlement payments to be handled by account credit or offset, Clearwire
 19 provided a supplemental report for transmittal to the settlement administrator of those amounts to
 20 be paid by settlement check.

21 I declare under penalty of perjury that the statements above are true and correct to the
 22 best of my knowledge.

23 Executed this 25th day of June, 2014, in Las Vegas, Nevada.
